Online Auction Notice

I hereby acknowledge and confirm the following:

- Once placed, my bid cannot be withdrawn. My bid may be accepted by the seller at any time before the close of the auction.
- I have read and understood the terms of the auction and my bid is placed accordingly. I have read and understood the legal pack applicable to this property and I understand that I am bound by the special conditions contained within.
- If my bid is successful, I shall be bound by the lot terms and conditions as advertised online.
- No credit or debit card details are required at registration. No funds will be pre-authorized or captured on a card.
- If I am the successful bidder, I must pay the Deposit and the Purchase Premium by bank transfer within 2 hours of the auction ending (details provided immediately).

Online Platform & Connectivity

Please bid in good time before the end of the auction. Delaying your bid to the last seconds may disadvantage you if your connection slows or you lose internet connectivity. It is the bidder's responsibility to ensure the bid has been lodged with the auctioneer. The auctioneer accepts no responsibility for bids that are not received or are received late, and reserves the right to reject any bid without notice.

The auction will continue to run if a bid is placed within 5 minutes of the closing time. If there are no bids for 5 minutes and the reserve price has been met, the highest bidder will win. If another bid is submitted within 5 minutes of the last bid, the auction countdown timer will restart for an additional 5 minutes, allowing for further bidding. This system is designed to ensure fairness for all participants and to prevent last-second bidding.

Timescales

Immediate exchange of contracts. Completion must take place within 28 days.
